

## **Heritage Christian School**

### **Second Grade Summer Enrichment**

Spend time every day reading your Bible, sing and listen to praise songs and pray for family and friends. Take time to enjoy God's beauty all around you. Go on a nature walk, build a sandcastle, run through sprinklers, play hopscotch, hop, skip, gallop, and play jumprope with your family. In your backyard close your eyes and listen to God's creatures. Smell a flower. At night count stars in the sky. God's blessings are everywhere. Enjoy your summer!

#### Reading Suggestions

- Beginning Reader: Bible Stories
- Humphrey books
- Flat Stanley books
- Magic Tree House books
- Dr. Seuss books
- I Can Read books (Level 3 and 4)

#### Writing Suggestions

- Write in a summer journal reflecting on God's blessings each day.
- Practice writing a paragraph with 6 sentences.
- Write a story and illustrate it.
- Write a friendly letter to a classmate or family member.

#### Math Suggestions

- Review addition and subtraction facts 1-12.
- Count by 2's, 3's, 5's, and 10's to 100!
- Count to 100!
- Count backwards from 100 to 1
- Use a ruler to measure things around your house.
- Look at the clock before breakfast, lunch, and dinner. Tell a family member each time clock is read.
- Play Dominoes, a board game or cards.
- Make a store with real or play money and price things to be bought.
